HOW THIS IS READ

Four pillars. The year changes at Lichun, 4 Feb 2027 — not on 1 January, and not at Lunar New Year (6 Feb). The seat of the reading is the day-master. Civil time is used, not apparent solar time (待核实).

Based on Chinese traditional culture. For entertainment and cultural reference only.
This is not financial, medical, or legal advice, and it does not predict a result.
基于中国传统文化的解读，仅供娱乐和文化参考，不构成财务、医疗、法律建议。

Year stem 丁, for this day-master: 劫财 Rob Wealth. A label, not a verdict.

Four rooms, and a short list

Short notes, not forecasts. Nothing here says what will happen.

WORK

Union in one seat, clash in another. Name the double pull before you sign.

RESOURCES

Open contracts. Close the loose ones. Don’t patch over a crack.

TIES

Name the room you are in before you join.

BODY

Rest is part of the work. This is not a diagnosis.

LEAN TOWARD

- Keep written names on shared work.
- Give meetings a chair and an end time.
- Review accounts before opening new ones.
- Join only the pots you can name.
- Keep a second path when plans are rewritten.

GO SLOWLY

- Don’t treat a mark as a verdict.
- Don’t empty a reserve just to prove a clash wrong.
- Don’t announce a year before it has a lid.
- Don’t merge just because the year feels close.
- Don’t rehearse a fight that hasn’t been asked.

Entertainment and cultural reference only. Not an instruction to act or not act.
